To Dizzy Dezigns

We would like to take the opportunity to thank Dizzy Dezigns who designed and conceptualized our wedding.

The Dizzy Dezign team's original and creative ideas as well as their friendly "can-do" attitude ensured that our wedding day was stress free and truly a special and memorable day!

Their duties included - decor, flowers, bridal couture, venue, invitations, cake, transport, accommodation and so much more.

The attention to detail created the ultimate romantic setting described by the media as "The wedding of the year"

We highly recommend Dizzy Dezigns and wish them success in all their future endeavors.

Yours Sincerely

Lebo and Angela Morake
